## Mitarbeiterprofil

### Allgemein

<b>Alter</b>	32 Jahre	
<b>Nationalität</b>	Polen	
Aktuelle Funktion	Lieferantenkoordination	
<b>Erlernte / ausgeübte Berufe</b>	Konstrukteur / Automobil	
<b>Berufserfahrung</b>	Automobil- und Automobilzulieferindustrie	
<b>Fachliche Schwerpunkte</b>	Lieferantenkoordination, Anlaufunterstützung	
<b>Mobilität</b>	weltweit	

### Abgeschlossene Referenzprojekte

05/2015 – heute

**Grupo Antolin, Weyhausen, Germany**  
**Product Engineer & Supplier Coordination**

Headliner projects: VW326, VW324, VW276, VW270, VW483, VW536, VW Crafter EU16

- Team supervision from concept phase to SOP
- Physical product verification
- Identification and solving problems during the production lunch
- Headliners for Touareg – B- Freigabe; Crafter - AEKO – changes in cubing; Tiguan - B-Freigabe
- Providing master sections
- Data transfer to team located in India and coordination the work
- Data checking, packaging, data preparation
- Participating in meetings, presenting actual status and advancement of the project in front of customer
- Preparation engineering 3D proposals for changes and modifications in problematic areas

05/2013 – 04/2015

**Preh GmbH, Bad Neustadt a.d., Saale, Germany**  
**Design Engineer**

*Porsche MuFu – Multifunction Steering Wheel for Panamera/911*

- CAD Analysis: Strak Analysis, Draft Analysis
- Preparing of assembly and single parts customer drawing
- Data release (B-Frei, preparation of 3D, drawings, data release).

*Daimler MuFu – Multifunction Steering Wheel for S-class*

- CAD Analysis: Strak Analysis, Draft Analysis
- Preparing part and assembly customer drawings
- Data Presentation: preparing PowerPoint presentations
- Data release (B-Frei, preparation of 3D, drawings, data release)

*VW - Side-View Mirror Frame for Passat*

- Data release (preparation of 3D, drawings, data release)

*VW - Micro Center Console for Transporter*

- CAD Analysis: Strak Analysis, Draft Analysis
- Data release (B-Frei, preparation of 3D, drawings, data release)

*Ford - Button Set (Center Console) for Mondeo*

- Data release ( preparation of 3D, drawings, data release)

*Ford - Glove Box for Electric Scooter*

- Data release ( preparation of 3D, data release)
- CAD Analysis: Strak Analysis, Draft Analysis
- Concept design: 3D Master sections, Strak proposal

06/2012 – 04/2013

**Rucker-Polska Sp. z o.o.**  
**Junior Constructor**

*Train interior project*

- Concept design: 3D Master sections, new mechanical solution design
- Preparing part and assembly customer drawings

*VW - Side-View Mirror and Rear Mirror Frame for Passat*

- Data release ( preparation of 3D, drawings, data release)

*Porsche - Door Panel elements such as Speaker Cover, Storage Cover etc. for Macan and 918 Spyder*

- CAD Analysis: Strak Analysis, Draft Analysis
- Data release ( preparation of 3D, drawings)

06/2011 – 05/2012

**Centre for Research and Development OBR STER Sp. z o.o.**  
**Junior Constructor**

*Train chair project*

- Concept design: 3D Master sections, Strak proposal, Designing of new mechanical solution
- Building prototypes
- Construction of tools for bending rods and metal sheets

06/2010 – 09/2010

**KPI Retail Sp. z o.o. Skoda Sunny company (Volkswagen Group)**

06/2009

**Boiler Factory RAFAKO S.A.**

- Trainee in quality department

**Fastek Fitting Polska Sp. z o.o.**

**Technical assistant**

- Handling an automated assembly line for VW cars wheels (including service)

06/2008 – 09/2008

**MAN Star Trucks & Buses Sp. z o.o.**

- Assembling electrical and electronic equipment

## Ausbildung / Qualifikation (Eckdaten)

### Schulische Ausbildung

2010 – 2011

**University of Pireus, Greece**

Half a year student exchange under the Erasmus program

2010 – 2011

**Poznan University of Technology, Poland**

**Faculty:** Mechanical Engineering and Management

**Specialization:** Management and Production Engineering

2007 – 2010

**Poznan University of Technology, Poland**

**Faculty :** Mechanical Engineering and Management

**Specialization :** Management and Production Engineering

2005 – 2007

**Poznan University of Technology, Poland**

**Faculty :** Mechanical Engineering and Management

**Specialization :** Materials Engineering

**Zusatzausbildung**

Advanced knowledge - CATIA V5 (Part Design, Drafting, Generative Shape Design, Assembly Design)

MS Office

„Own business” certificate released by Poznan University of Technology Foundation (UE project)

Design courses in 3D Studio Max, AutoCad, Catia

Driver’s license cat. A, B

**Sprachkenntnisse**

Polnisch: Muttersprache

Englisch: sehr gut

Deutsch : gut
